programme commun

Les activités dont l'heure est inscrite en noir sur le programme scientifique sont destinées à tous. Il est également possible à tous de suivre le programme scientifique en plus des conférences spécifiquement destinées aux non-scientifiques.

réunions admin & IT

Les secrétaires/personnel administratif et les informaticiens du CIG se rencontreront pour des workshops. Ces rencontres auront en principe lieu les

Mercredi 25.8. à 14:10

Jeudi 26.8. à 9:00

Vendredi 27.8. à 9:00

general information

meals You need either your badge, key room or ticket to get your meal.

Breakfast is served between 06:45 and 08:30.

rooms Rooms and buildings are strictly non-smoking.
Bikes are not allowed in the rooms. Please enquire at the réception where they can be left.
Your key is needed to enter the building after 22:00.

checking out On Friday, keys have to be back to the reception at the end of the coffee break (10:50) at the latest.

You can put your luggage in the hall of the «hotel part» (not looked after), or behind the reception while attending the conferences.

WiFi There is a free WiFi connection. Connect to Swisscom Mobile network (SSID=MOBILE), and open your browser to <https://crypto.unil.ch>, authenticate with your UNIL ID and password.

More information is available at the web address: <http://www.unil.ch/ci/page2757.html> (subsite «à l'extérieur de l'UNIL»). On the link project PWLAN <http://www.switch.ch/connect/pwlan/> you can find a description in English. (This service is also available in other places. To know them, you can consult the list of access points (hotspots) mentioned by the web page above).

CIG Retreat

2010

Löwenberg (Morat)
August 25 to 27
