

International BioCamp 2013

Novartis Biotechnology Leadership Camp

August 25 – 28, 2013 in Basel, Switzerland

The Novartis International Biotechnology Leadership Camp (BioCamp) is a pioneering **four-day seminar** that brings the biotechnology sector closer to talented students from top universities around the world. Held at Novartis International Headquarters in Basel, Switzerland, the program offers participants an opportunity to:

- Interact with key Novartis scientists who lead our unique approach to drug discovery
- Learn about breakthrough new medicines to address patients' unmet medical needs
- Understand trends and challenges in the biotechnology sector
- Receive first-hand experience about starting and running a biotech company
- Explore career opportunities in the pharmaceutical and biotech industries, and
- Network with talented students from other countries
